Sir:

Responsive to the final Office Action dated June 21, 2005, the Applicants respectfully request reconsideration and reexamination in view of the following remarks.

In item 3 on pages 2-3 of the Office Action, claims 4-7 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 4-6 of U.S. Patent No. 6,259,683.

Without intending to acquiesce to this rejection and merely to expedite allowance of the application, the Applicants submit herewith a Terminal Disclaimer under 37 CFR 1.321, which is signed by a registered attorney of record, together with the fee required under 37 CFR 1.20(d) to overcome the obviousness-type double patenting rejection of claims 4-7.

Accordingly, in view of the Terminal Disclaimer submitted herewith, the Applicants respectfully submit that claims 4-7 are now clearly in condition for allowance.

Therefore, it is respectfully submitted that the present application is clearly in condition for allowance. An early notice thereof is respectfully solicited.
